## **OUTSIDE SALES REPRESENTATIVES**

### **ABOUT US:**

Ace Medical Supply is a Medicare/Medicaid provider specializing in diabetic shoes and supplies. Our mission is to educate diabetics and health care professionals regarding the importance of proper foot care and footwear to prevent lower extremity complications. Increasing public awareness of the Medicare Diabetic Therapeutic Shoe Bill and the availability of diabetic protective shoes is a part of our educational endeavor.

Our goal is to assist people with diabetes in obtaining proper footwear to help prevent future medical problems. We are looking for professional representatives that put our customers and their individual needs first.

### **KEY POINTS:**

This job is great for the person that is looking for flexibility and personal achievement. Pay is 100% commissioned-based with no cap on your total earnings. In this position, you will develop relationships with physicians, hospital diabetic educators, nursing homes, assisted living facilities and other health care providers.

Ace Medical will provide training and marketing ideas. You need to provide organizational skills, a good work ethic and the drive to be successful while at the same time selling products that help people.
