

STATE SCRAPBOOK PAGE

TO: GREA LOCAL UNIT PRESIDENTS

FROM: GREA ARCHIVES & HISTORY COMMITTEE

SUBJECT: ANNUAL LOCAL UNIT STATE SCRAPBOOK PAGE

The State Scrapbook is composed of a one page representation of activities from each unit for the completed term. This will earn your unit the Scrapbook Award. A plastic sleeve is provided for each unit to contain the page. This page is then placed in the State Scrapbook along with the pages from each Area. The State Scrapbook is on display at the Georgia Retired Educators Museum in Flowery Branch. Anyone visiting the museum can view these scrapbooks and see the activities of their past units as well as those of other units across the state.

EACH LOCAL UNIT is asked to design a state scrapbook page for their unit. It must be 8 ½ inches X 11 inches and fit inside the plastic sleeve that is provided in your packet. You may arrange the information on each side of the page in whatever format you desire.
