

GREA---EMPOWERED FOR SERVICE

God has been good to us. I give Him Glory and Honor that we are still here with purpose, power, and provision. If you are reading this open letter to GREA members everywhere, you, too, are a Recipient of His goodness and blessing.

I am humbled and honored to serve you as the 2021-2022 President of GREA. I am committed to continuing to create opportunities that lift GREA and strengthen our Fellowship, Support and especially Service.

Our 2021-2022 Theme is both Reflective and Directive. Reflective in that we will honor and incorporate some of the excellent aspects of my predecessors. Directive as it gives a fresh charge and innovative framework to elevate our purpose and service to a higher dimension.

Local Units, you are the lifeline of GREA. We could not have accomplished what has been done without you. Your commitment, devotion and service at the local level is the bedrock on which GREA is built and perpetuated. I applaud you for all you have already done for GREA.

I send a clarion call to every member of GREA to wholeheartedly, actively participate with our incumbent Executive Committee and Board of Directors.

- **Membership matters and we all must recruit new members. Please help me add 3000 new members to GREA.**

- **Our 2021-2022 Humanitarian Project is the March of Dimes. Please work with your unit and make a \$350.00 contribution to the March of Dimes. I am ALL IN to lead and serve you in excellence.**

Please contact me with any concerns, questions, ideas, or observations. I am here for you and empowered to serve you.

**Dr. Henrietta Gray,
GREA State President**
